

Mr. Big

Hello, Detective Joe here! Last Monday I was watching Mr. Big. He is a bad man. The police are looking for him. My friend Rob was helping me. He was sitting in Mr. Big's garden. He was watching Mr. Big too!

While Mr. Big was eating breakfast, I was standing behind a tree. While Mr. Big was talking on his mobile, I was sitting in my car. While Mr. Big was writing a letter, I was taking pictures of him. Sometimes Mr. Big looked at me. Then Mr. Big put the letter into a letter box. This morning I got a letter. I'm reading it now. Here it is.

Dear Detective Joe,
Please help me. This morning a strange man was watching me. While I was eating breakfast, I saw the man in front of my house. He was standing behind a tree. He was wearing a hat. While I was calling my friend, the man was sitting in a car. He was watching me. While I was writing this letter, he was holding a camera. I think he was taking a picture of me. Please find him.

Regards
Mr. Big

PS I think a dog was watching me too.
