

# Don't Smoke

Hi, I'm Chico. My best friend is Marko. Last year we used to smoke. We used to be smokers. We used to be unhealthy.

One day I went to Marko's house. We watched the Summer Marathon on TV Marko said, "We can do that. Let's run in the marathon next summer." I said, "OK. Let's try."

First we stopped smoking. After that we started running. We could run 5km. In the winter and spring we could run 15km. Finally in the summer we could run 25km. We were strong and healthy. This year we ran in the Summer Marathon. It was fun. We wore T-shirts. The T-shirts said, "Don't smoke."
