

Detective Joe

Hi, I'm Joe. I'm a private detective. I'm very lucky because I have a new friend. His name is Rob. Rob is a police dog.

Last winter I was walking in a forest. When I started walking, the sun was shining. Then it started snowing. It didn't stop snowing. I became lost because I couldn't see. So I called the police for help. While I was waiting for the police, it became cold and dark. I was scared and hungry. While the police were looking for me, I could see their lights. I shouted, "Help!", but the police couldn't hear me. Then Rob barked. He could hear me. Rob found me. He saved my life.
