

The Big Green Light

Last night George was riding his motorbike. He was riding in the country. It was not raining. The sky was clear. The moon was shining. It was a beautiful night.

At 11:30 George saw a big green light in the sky. The light was flashing. He stopped and got off his motorbike. George watched the light for five minutes. He was not scared. He was excited. Then the light went into a forest. George went to the forest, but he couldn't see the light.
