

Rock Band

Hi, I'm Rory. I live in Ireland. I'm fifty years old. I'm a music teacher. I can play the guitar and drums. I have many students.

When I was seventeen years old, I loved singing. My brothers liked playing the guitar. We used to make music together. Our friends started listening to our music. They used to say, "You are so cool!"

After that we made a rock band and became famous. We were on TV every night. At concerts we yelled and shouted. We used to wear crazy clothes and make up too. We were young and wild.
