

# The Cat

Hi, I'm Paul. Two months ago I saw a cat. The cat used to sit behind my house. I called the cat Rusty. I gave Rusty food. But I couldn't touch him. He always ran away. I thought Rusty didn't like me. I asked my father, "Why does Rusty run away?" He said, "Some cats are shy. Talk to Rusty. Don't give up."

Last month I talked to Rusty. I talked to him everyday. Last week I was surprised. Rusty sat next to me. Then Rusty touched me! Now we are friends. I talk to Rusty everyday. I can touch Rusty too!
