

My Dream

Hi, I'm Sandra. This year I'm going to finish high school. I'm thinking about my future. My father is a doctor, and my mother is a doctor too. My father said, "You have to go to university. You have to study hard. You must be a doctor."

I want to study, but I don't want to be a doctor. I want to be a jazz pianist. When I was ten years old, I went to a jazz concert. A lady was wearing a beautiful blue dress. She was playing the piano. The music was really cool. After that I studied the piano. My father is not going to be happy, but I'm going to follow my dream. I'm going to be a jazz pianist!
